Awakening dinner

Knock Knock

モゾ..

チャ:

Oh...?

Are you awake?

Nope. Asleep.

Riii-ight.

I was thinking of going shopping for dinner.

Do people still get hungry when they're asleep?

I won-der...

Oh...? Is that sleep-talk I hear?

A maple croissant...

Mmn.

Crispy bacon...

Errrm...

Alrighty.

Mmf...

Pickles... A strawberry tart...

I think I'll have pasta...

Wrapped in bacon.

Don't worry if they don't have tarts...

That must be quite the delicious dream.

I think I'll make enough so that even if somebody **else** wanted some, there'd be plenty.

Let's see...

I think I'll be back when the long hand of my watch strikes eight.

Sure would be nice...

...if there was music playing when I got home...

And if there was a pan ready on the stove filled with water to boil the pasta in...

Sure would be great if I somehow came home to all that.

...then all I'd need to do when I get back is start the fire.

パタン。

Maybe someone's oddly convenient sleep-walking...

...might do it all for me.

Nhh...

Let's
throw in a
dance, too.
